*If suddenly we knew today was going to be our last  
I'm sure we'd do a lot of things neglected in the past.  
Like rising very early so we wouldn't miss the dawn  
Or running barefoot down a hill before the dew was gone.  
I think we'd greet our neighbors with a very special smile  
And visit friends we hadn't seen in quite a little while.*

*I'm certain we'd be careful not to tread on any toes  
And listen with a kinder ear to other people's woes.  
We'd find much greater magic in a sunset or a star  
And wished we'd noticed sooner just how beautiful they are.*

*And finally, I think we'd ask for extra time to do  
These things we didn't do before and lots of others too.  
For all at once we'd realize that our spiritual worth  
Depends upon the way we live while we are here on earth!*

*In Loving Memory of*
