

KEEP YOUR LOCKER COMBINATION A SECRET

DO NOT let anyone know your locker combination. It is the same as a key to the door. If you have any difficulty in learning to operate the lock, ask any teacher to help you-not a pupil.

The school furnishes a locker with a combination lock on it. Nobody knows the combination but the pupil to whom it is assigned. It is the responsibility of the student to keep his locker locked at all times and his lock combination from any students. Please do not ask to have your locker changed.
