pepperoni

* * * * *

1. Pre-heat oven to 425 degrees.
2. In large mixing bowl, combine pizza crust mix and water. Mix with a fork until forms a dough. Work with hands until all mix is worked in.
3. Spread dough on a greased pizza pan, covering entire area.
4. In small mixing bowl, combine sauce ingredients. Mix well.
5. Spoon sauce on to pizza dough. Spread to edges but not off edges.
6. Add desired toppings, finishing with cheese.
7. Bake on lower rack of oven until dough turns golden-brown. (12-15 min)
8. Makes one 12 " pizza.
