APPROVED the rental of Crater Stadium to Central Catholic High for football games Sept. 11, Oct. 16 and Nov. 13 with the stipulation that the dates will not conflict

with Dover High's football schedule. The rental fee was set at \$80 per night which is the same as last year's charge.

APPROVED granting a diploma to Pride Deihl who completed requirements during military service.

APPROVED spending of \$412 to permit several teachers, administrators and non-teaching personnel to attend professional meetings.

After a presentation by Paul Koval, director of curriculum, and Donald Marshall, chairman of the elementary mathematics study committee, the board approved an expenditure of \$6780 for math

books for students in kindergarten through the 6th grade.

Koval and Marshall explained that a study had been made by teachers and representatives of parents groups of a number of books and selection had been made of books published by Silver Burdette Co. Marshall stated that the books combine basic math and the new math concept. He also reported that the present books have been in use more than six years and those in condition for further use will be kept for supplementary work.

The 1970-71 calendar for seniors was revised with the approval of the board for final

examinations May 28 and June 1, commencement practice June 4 and last days of classes June 1.

The following schedule was approved for the 1971-72 year and meets the state requirements for the number of days in sessions.

Teacher convocation Aug. 30; Classes begin Aug. 31 and conclude June 8 with teachers' record day June 9. Elementary school will have 180 actual days, Junior and Senior High 181 days and teachers on duty 185 days.

Since Columbus Day is recognized by the state as a legal holiday, non-certified employees will be given a holiday and because school will be in session on that date (Oct. 25), the holiday will be given Nov. 26, the day following Thanksgiving.

Other holidays for non-certified personnel will be Independence Day, Labor Day, Veterans Day, Thanksgiving, Christmas, New Years, Washington-Lincolns birthdays (which will be granted March 30), Good Friday and Memorial Day.

The meeting was recessed to April 26 at 7:45 when teachers' contracts will be discussed.
