### Presidents Column

Well dudes,our upcoming Military Show is just around the corner. It looks like Mr. Gillaspie has put a lot of time into this show,so every one of you should learn the music and the moves.This should be one of the most challenging shows of the year,but I feel that the band is capable of doing a great job with it.

Well seniors,this is our last Homecoming show(Freshman 1st, Sophmores 2nd,and Juniors 3rd)((I've noticed a few of the names on the ballots for Homecoming Queen are in the band.Good luck to all of you))Good luck with the show,and have fun at the dance.

The Marching Season will quickly come to an end.The only way I see to keep on going,is to go on a trip sometime during the year. (Note:Mr. Goudy-If you have read this far,you must consider all my words worthy of thinking about)

Good luck to all in this weeks show.

### Vice-Presidents Column

Ahoy fellow band members!

I would like to congratulate everyone on their grand-champion performance in Canonsburg,PA.I am sure our great performance was due to the fine meal served to us at the G.B.U. club!!Even though the band shows are over for this marching season you have to stay up for the performances at the football games.It is vitally important to the band that you don't let it down(the Moral).Once again I would like to congratulate you on the fine show and wish you good luck in the upcoming performances of the year!

Your Vice-President,

J. Kellicker

Q: Are you glad this is your last year in band?

Shelly Slemmer-Heavens to Betsy, YES!

Connie Doidge-Yea!

Nancy Youngen-Yes!!!THANK GOD!!!

Diane Hurless-I'll miss band, but school can jump in a lake

Leanna Kay Lewis-No, not really, I don't know

Lori Zahler-I miss Phil!

Keith Shumaker-I wasn't glad it was my last year until I met Calvin, Jay, and Moo-Man

Debbie Burkhart-Yes!!!Yes!!!YES!!!

Korns and Mercer-Considering that we, making up a large part of the power and tremendous volume of the trumpet section, will be graduating this spring, the sound will greatly drop. Therefore, we will be very disappointed when this last year comes to an abrupt close. We also realize that the directors will feel a personal loss when our babbling voices are absent from after-school and Tuesday night rehearsals, so we have decided that the directors may call upon us at any given moment for a possible lesson on the trumpet whereas we would be the tutors to a needy student, or maybe just a laugh we can so easily bring<sup>to</sup> those around us. Thank you for lending a sympathetic ear. We will always be proud of being a member of the AWESOME Dover High School Marching Tornadoes. Goodbye forever!! (Note to Korns and Mercer from the directors: Just remember-don't call us, we'll call you!!)

NOT TURNED IN(AT ALL!!)!!!!!!!!!!

YOUR PERSONAL GUMBY!

DEAR DIRTY MOUTHPIECE

Dear Dirty Mouthpiece,

I have these two great big problems that I can't seem to get rid of and they never seem to leave me alone. No matter how hard I try, they are always one step ahead of me. They are the topic of the "Rumor Has It's". Please help me.

-B.N.K.

Dear B.N.K.-,

Since you failed to specify your problem, it makes it "hard" to "give" helpful advice. But, since you sound like you are in desperate need of help, my advice to you is to try and share them (your problems) with a friend. It may help to lighten the load. So, until you find someone to lay them on, Good Luck!

\*\*\*\*\*

Dear Dirty Mouthpiece,

Can you explain the difference between "the Bat" and "the Fly"?

- "the Mouse"

Dear Mouse,

The bat gets around alot more.

\*\*\*\*\*

Dear Dirty Mouthpiece,

What has happened to Michael Knight, alias Mr. Goudy?

-Kit

Dear Kit,

Michael spent the entire summer in Bohemia watching re-runs of himself, but will debut his season premier soon. Keep your eyes peeled!!

\*\*\*\*\*

Dear Dirty Mouthpiece,

I have a hopeless crush on a certain drummer, no names please but his initials are P.H.. How do I get him to notice me? Please help me, I'm desperate.

-an admiring freshman

Dear Admiring,

A green mowhawk would quite possibly get you noticed, but first you must become his one and only-so get rid of Hoover as fast as you can!!

DEAR DIRTY MOUTHPIECE (CONT'D)

Dear Dirty Mouthpiece,

I have a serious problem.I can't memorize my music.No matter how hard I try,I keep forgetting it.Should I see a psychiatrist or undergo brain surgery?

-Uh,I forgot.

Dear Uh,

Undergo a lobotomy,then rent yourself out as a tutor for Steve Hoover.

\*\*\*\*\*

Dear Dirty Mouthpiece,

When I walk down the street I have this urge to keep in step with the people around me.When I step on a crack(in the sidewalk!) I want to yell "Hit It!".Can you help me?

-Band Head

Dear Head,

Hang out with D.M..This way you'll trip over the cracks instead of hitting them(thus eliminating your shouting of "Hit It!")and you'll run into people causing everyone to get off step.

\*\*\*\*\*

Dear Dirty Mouthpiece,

Who is Mr. Lyon ?

-Wondering

Dear Wondering,

I'm not sure,but I think he played Colonel Henry Blake on the hit series M.A.S.H..Readers-Do you know?

Next issue we'll definitely tell you who he is.

\*\*\*\*\*

Dear Dirty Mouthpiece,

I am a sophmore trumpet player with one problem.Every once in a while I get this urge to jump up and act like a majorette.What should I do?

-Not A Majorette

Dear Not,

This is very common.As on some records,hidden words are in the music causing people to act out the hidden words subconsciously.As you concentrate on your performance you really don't notice the

DEAR DIRTY MOUTHPIECE (CONT'D)

majorettes, but they are there. Your subconscious picks up their movements, and, during the week, you get the urge to act out their routines.

\*\*\*\*\*

Dear Dirty Mouthpiece,

Who is Bink and does he really shave with Daisy.

-Curious

Dear Curious,

Bink is Captain Preppies cousin. Bink does shave with Daisy, but won't admit it.

\*\*\*\*\*

Dear Dirty Mouthpiece,

Is Biff really Bink and Muffy's kid?

-####

Dear ####,

Biff is really Bink and Muffy's IZOD sweater.

\*\*\*\*\*

Dear Dirty Mouthpiece,

I am in the band and I have two problems (unlike B.N.K.'s). I haven't any talent or coordination. Everybody yells at me and makes me run laps (especially my section leader), but that isn't getting me anywhere. What can I do to improve my musicianship out on the field? Please help me.

-Doppy

Dear Doppy,

It sounds like you have a real problem. My advice to you is to try even harder to learn your music and to march in step. It sounds like your section leader is trying to make you learn your music by making you run laps. So, learn your music, and you won't have to run. If all this fails, Quit! Good Luck!
