If you haven't gotten to know him yet, you're in for a treat. Bob Maltarich, the new Tornado head football coach is a nice man, but don't let that fool you.

When it comes to pigskins and gridirons, he is — by his own definition — “INTENSE!”

The 33-year-old father of three does not take his new assignment lightly for several reasons . . . the most important one being that he does not take the game itself lightly, whether he is coaching, watching or talking about it.

He also knows he has a hard act to follow from 1979 when Dover High swept to a 10-0 record and a near playoff berth under Joel Cockley, now the offensive coordinator at Youngstown State University.

Likewise, Bob has long been appreciative of the great athletic tradition here and he has committed himself to continuing it.

During a team meeting prior to the opening of two-a-day drills on Aug. 6, he told the 1980 Tornadoes what he and his staff was expecting and that he knew they would get it. But he also said that if the coaches did NOT get what they expected, those who shirked their duties would feel the consequences.

Intensity was the key word during the discussion. “That’s the way I played the game and that’s the way I coach it,” he emphasized before giving the players time to ask questions and offer their own comments.

It’s hard to argue with his approach. Bob can be understanding or demanding. He is tough, but fair. And, he wins.

A 1965 graduate of East Liverpool, where he lettered three times in football, basketball and baseball, Bob went on to Bowling Green State University, where he earned three more letters and all-Mid American Conference honors as a defensive back.

His coaching background is relatively short, but impressive.

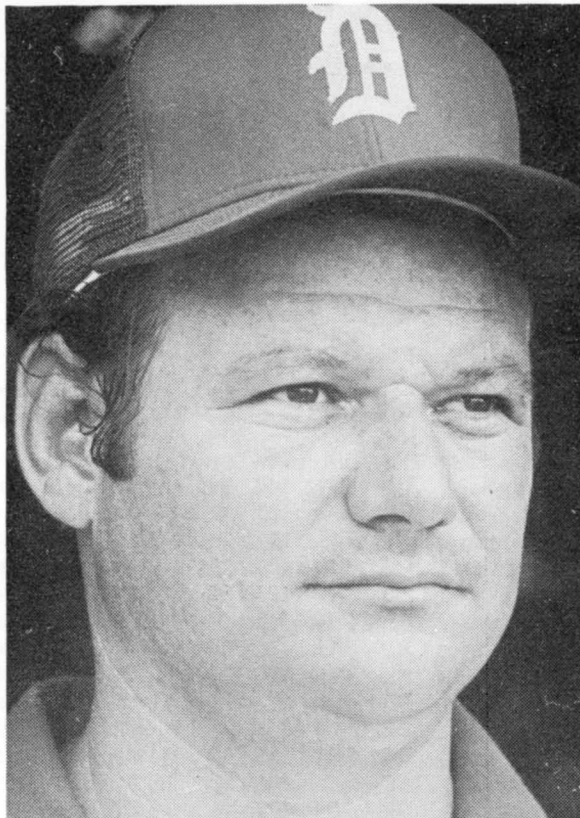

He was an assistant coach at East Liverpool for one year and at Massillon Jackson for five seasons before taking the reins at Dalton High in Wayne County in 1975.

He guided the Class A Bulldogs to records of 6-3, 9-0, 9-0 and 7-2, winning Wayne County League championships in 1976 and 1977 and runnerup honors the other two years.

In those same two title seasons, Bob’s Bulldogs were ranked second by the Associated Press polls and second in their Ohio High School Athletic Assn. playoff ratings, winning 23 straight games.

In 1979, Bob spent one season at Fairless High in Justus, where the Class AA Falcons compiled an 8-2 record, their best in school history, won the All-Ohio Conference crown with a 4-1 mark and produced the Stark County Player of the Year in running back Jeff Fowler.

His overall head coaching record coming to Dover stood at 39-7-0.

BOB MALTARICH
Head football coach, DHS

A health-physical education and driver’s education teacher, Bob said upon being accepted by Dover, “I’m tickled to death . . . can’t wait to get started.”

He didn’t wait, either. Still residing in Dalton because he has been unable to sell his home, Bob began commuting daily to Dover, getting to know the players and coaches and familiarizing himself with the facilities and the community.

“Dover is a football-minded community,” he said, “and I like being around that kind of situation. It’s one of the best jobs in the state. My wife (Mary Lou) and I love the area and we’d like to be here awhile. You can’t do any better than this.”

During his locker room chat with the team three weeks ago, Bob admitted, “I didn’t sleep last night and I won’t sleep tonight. I want to get to it.

“I’m not think about anybody by Steubenville Big Red right now . . . I’m thinking about Steubenville and about an 11-game winning streak for Dover!”

After the meeting, Bob sat down with a screwdriver, sweat pouring from his brow, and began fastening facemasks to helmets — making certain that each was just what the individual players had requested.

He was down to business. The business of winning football . . .

In the tradition of Dover . . . and of Bob Maltarich.

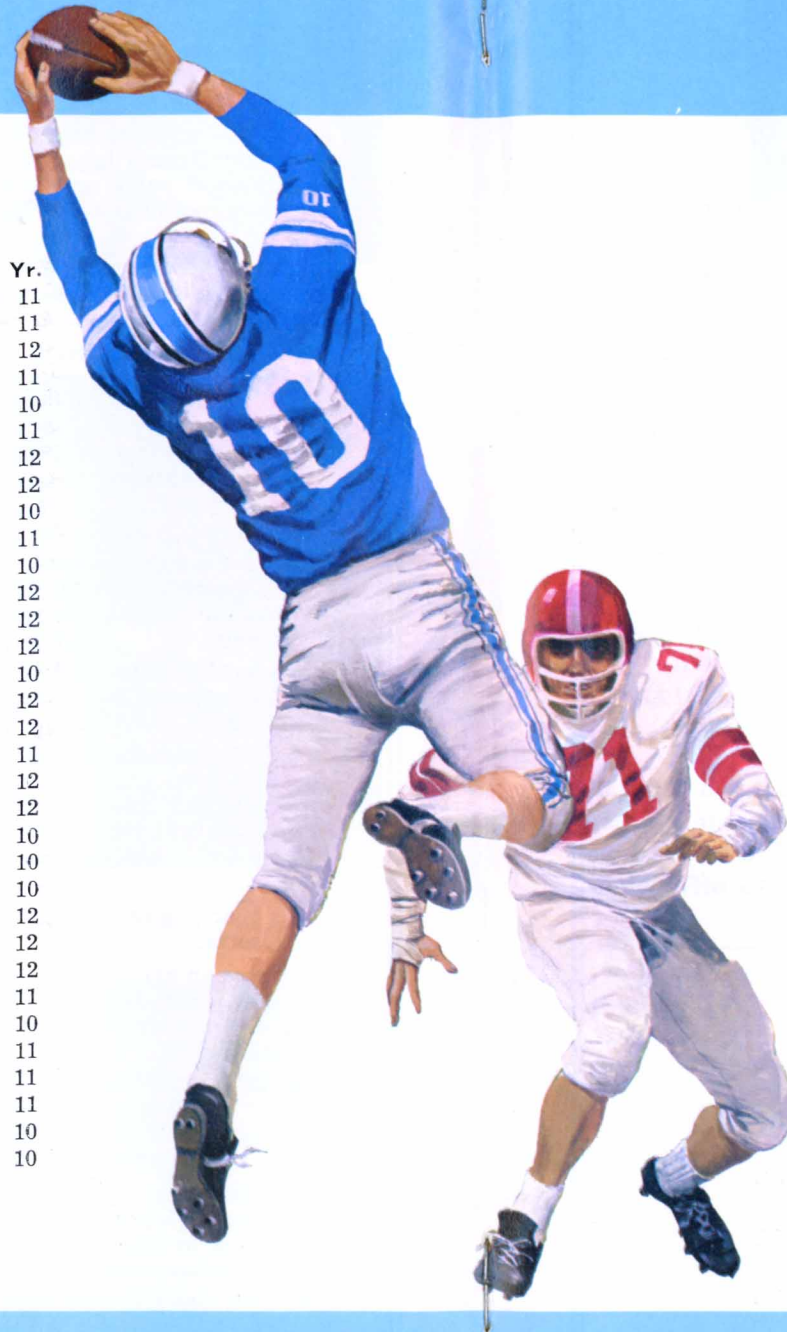

Catch that Pepsi Spirit!

DOVER HIGH SCHOOL

OUR ALMA MATER

*We lift our voices in praise of thee,
Dear Dover High
Thy gray and crimson let all men see
Floating on High.
In vict'ry's thrill or in defeat*

*From truth and right we'll ne'er retreat.
Fairest Alma Mater, unfurl thy banner fair.
May each son and daughter, learn to do and dare.
Mem'ries dear we'll cherish of our school days free.
Dear old Dover High, we'll always loyal be.*
