The Dover Tornado Club proudly presents this Football Program for the Thirty-fourth straight year. We owe a debt of gratitude to the individuals and firms whose advertisements appear throughout these pages, for without their generous support it would be impossible to produce this program. We Sincerely thank our advertisers and hope they will continue to offer their backing in the future.

A Thought For Everyone . . .

Reprint: Hal Lebovitz Column — Cleveland Plain Dealer (2-22-81)

"These are high school athletes who are performing here today; they are friendly rivals as members of opposing teams; they are not enemies.

"This is the theme of interscholastic athletics — the idea of friendly competition. The visiting team in every game is the guest of the home team. They are expected to be so regarded and so treated.

"The visiting officials are men who, by

agreement between the competing teams, are assigned to administer the rules of the game. Their experience and their integrity qualify them for their part in this friendly interscholastic contest.

"This attitude of sportsmanship should be reflected by all the spectators, too, no matter what the personal loyalties may be in today's contest."

DOVER HIGH SCHOOL

OUR ALMA MATER

*We lift our voices in praise of thee,
Dear Dover High
Thy gray and crimson let all men see
Floating on High.
In vict'ry's thrill or in defeat*

*From truth and right we'll ne'er retreat.
Fairest Alma Mater, unfurl thy banner fair.
May each son and daughter, learn to do and dare.
Mem'ries dear we'll cherish of our school days free.
Dear old Dover High, we'll always loyal be.*
