1983 TRACK - NPHS SENIORS

MATT BORON

Matt is one of those individuals who now is realizing his potential in track. The coaching staff just wished that Matt had another year left. Matt dedicated himself more this year and you could see the determination as he improved throughout the season. Matt is a fine gentleman and the coaching staff wishes him success in college.

PAUL BURRIER

Paul is receiving his first year varsity letter in track in the 440 dash and mile relay. As a freshman he lettered at Dover in the 440. He was a consistent runner who was always ready to run his best and has been a real asset to our team especially in mini-relay competition.

RON COX

President of the Christian Athlete's Organization. A very reliable and steady runner. He is earning his first track award as a Quaker only because he moved in from Texas where he had lettered previously. Ron was overshadowed by some of his own teammates, but scored well against the competition. He is a versatile runner whose cheerful, hard working character developed his success.

BRYAN HADLEY

Bryan's goal this year was to break the school record of 6 feet 3 inches in the high jump, although he did not accomplish his goal, he was a consistent scorer in the high jump as well as the high hurdles. Bryan, good luck in your future endeavors.

MIKE HUFFMAN

Mike is receiving his third year varsity award as a member of our 400 meter relay team. A very consistent runner who was always there when the team needed him. He has done a lot for our track program and sets a fine example of leadership, by doing.

BOB HUMPHRIES

Bob earns his second year award as a greatly improved hurdler and a member of the undefeated shuttle hurdle relay team. His best race is the 300 meter low hurdles and his determination and unselfish team attitude helped make Quaker track a success his senior year.

AL LEDRICH

Al is a third year letterman in track and for the past 2 years the MVP winner in track and field combined for NPHS. Al injured his knee in football this past season which limited the events he could participate in this spring. Al has specialized in the shot put and placed first in that event at the Tornado Relays Class AAA. Al is a super athlete that has helped NPHS tremendously the past 3 years. He will be greatly missed by the NPHS track program.

JOE LOWERY

Joe is receiving his second year award as a very versatile sprinter. Hard work and dedication have typlified Joe's senior year in his athletic participation. He has still not achieved his full potential as an athlete and continues to strive for excellence.

ERIC MYERS

Eric is a third year award winner as well as being a three sport letterman. His consistency showed in that he scored in most meets. Always with a smile on his face, Eric was willing to work hard in order to better himself. He is a determined young man with a bright future.

MIKE PETERSON

As a senior, Mike receives his first Varsity letter this year. Running primarily as a quarter miler, it was his first year to train as a distance runner which left him short of the necessary base. A very consciencious athlete that worked around a demanding schedule which often required practicing alone.

GREG POLLOCK

A consistently eager athelete willing to jump in wherever needed. Greg earned his track award as a half-miler and a high jumper. He has still not achieved his full potential. A tremendous effort and fine example for younger runners.

PAUL PRYOR

A 4 year Varsity Track award winner. To say he's dedicated to running is an understatement. To come back from such adversity to excell as he has is remarkable. Paul is capable of outstanding runs from the 400 distance and up. He became a member of the Wall of Fame as the anchor on the 2-mile relay championship team. I thank God for his blessings and Paul for his determination.

CHRIS RIKER

A prime example of senior desire and perserverence paying off. His performance was a pleasant surprise this year. Chris had an uphill struggle to acquire a starting position on the 2-mile relay. He capped it by becoming a wall of famer through his 1st place finish at the Conference Meet. A tremendous effort and fine example for younger runners.

DAVE ROTH

Dave is a first year performer in track and has specialized in the weight events. Dave was very instrumental in our success in the mini-relays in the shot put. Good luck and best wishes to Dave in his college career.

STEVE SHALOSKY

Steve earned his 2nd year award this year even though plagued with injuries. His obvious frustrations were controlled well, typlifying the strong character of a fine distance runner and gentleman. He is a steady, reliable athlete specializing in the $\frac{1}{2}$ mile.

MATT ZINGERY

Matt is a senior and first year track performer. Matt has specialized in the weight events and made steady progress this season. Matt has also lettered in football for 2 years and was an outstanding athlete in that sport. Good Luck Matt and thanks for your addition to NPHS track.
