The Principals

Appearing in the role of the show's title character, Conrad Birdie, is junior *Jon Kellicker*, the son of Mr. and Mrs. Larry Kellicker. Jon has appeared in and worked backstage in a combined total of nine productions. He received last year's award for outstanding Thespian technician. In addition to being a basketball statistician, Jon is also active in band and bowling. He plans to attend Ohio University and major in photo-journalism.

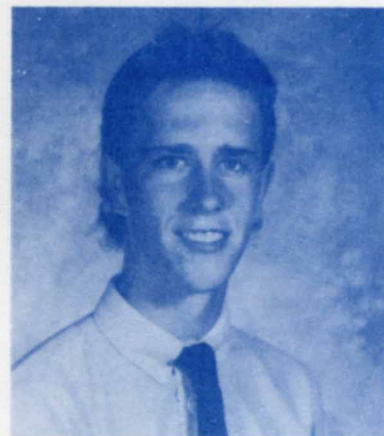

Allison Indorf, a junior, brings to life the character of Mrs. Doris MacAfee. Daughter of Mr. and Mrs. John Indorf, Allison is a three-year member and current president of Thespians. She has appeared in six productions and has dedicated many hours to production crew work. Allison is involved in FTA, the DHS choir, Angels, and the DHS band. Her plans for the future include attending Mount Union College where she will major in mathematics.

Making his debut on the DHS stage as Mr. Harry MacAfee is *Scott Peters*, a junior and son of Mr. and Mrs. Samuel Peters. Scott is very active as a YMCA volunteer swimming instructor. He also manages to find time to participate in varsity golf, the DHS choir and Angels ensemble. Following his high school days, Scott plans to attend college and major in math and science.

Appearing as Mrs. Mae Peterson in tonight's production is *Halle Holmes*, daughter of Mr. and Mrs. Thomas Holmes. Halle, a junior, has been active in Little Theatre and numerous DHS productions. In addition to being a Thespian, Halle is a Dover High Angel and sings in her church choir. After graduation, Halle plans to join the Navy for two to four years and pursue her education by attending college.

Randolph, the youngest MacAfee of Sweet Apple, Ohio, and the youngest member of the "Birdie" cast is Dover Middle School seventh grader, *Bill Rini*, son of Mr. and Mrs. Tony Rini. He was a wrestler for the seventh grade team and has been in Dover's Little League program. His long range plans include college and military service.

The Principals

Shelly Leland, a senior and familiar face on our musical stage, is playing the demanding role of Rosie Alvarez in our production. She is the daughter of Mr. and Mrs. Willie Leland. Shelly is appearing in her twelfth play on the DHS stage. A four-year member of Thespians, she is also active in varsity tennis, Angels, and is the president of the DHS choir. A college major in musical theatre will help to prepare her for a career in the theatre.

Playing the role of Albert Peterson in "Bye Bye Birdie" is senior *Tom Morris*. Son of Mr. and Mrs. Harold Morris, Tom, a four year Thespian, has performed in fourteen productions on the DHS stage. Tom is active in numerous extracurricular activities which include Student Council, National Honor Society, and varsity track. He was a Boys' State Delegate and is president of the senior class. After graduation, Tom plans to attend college and major in Pre-Med.

Michelle Tucker, daughter of Mr. and Mrs. John O'Neil, portrays Kim MacAfee in "Bye Bye Birdie." Michelle's enthusiasm for theatre has been evident as she has appeared in or worked backstage in all four productions this year. A freshman who recently earned Thespian membership, she is also active in the band, pep band and FMC. Looking to the future, Michelle plans to become a nurse and hopes to remain active in theatre and music.

Senior *Chris Heffner* plays Hugo Peabody, Kim's steady, in tonight's production. Son of Mr. and Mrs. Leland Heffner, Chris has appeared in six DHS productions and Trumpet in the Land. He is active in the DHS choir, serving as stage manager, and Angels. With his high school diploma in hand, Chris plans to open his own business and make his first million by the time he is twenty-five!

The exuberance of the role of Ursula Merkle, the "teen who screams" is captured by *Mary Beth Sclater*, daughter of Mr. and Mrs. Robert Sclater. A sophomore, she has appeared in three DHS shows and has been a hardworking crew member. Mary Beth is active in band, Junior Fortnightly Music Club and 4-H. Her forecast for two years from now predicts a four-year college.
