# A SPORTS ALBUM OF THE PAST

Do you remember when . . .  
 . . . touchdowns were worth five points?  
 . . . there was a center jump after every basket?  
 . . . the Cleveland Indians last were in a World Series?  
 If you do, you're a sports fan of the first degree. If not, this special sports historical section should prove enlightening.  
 It's been quite a project, trying to trace the past 80 or so years of sports happenings in and around the Tuscarawas Valley in only a few months time.

Our purpose in this section is not to present a minute-by-minute account of EVERYTHING; that would be a never-ending task.  
 Instead, we have attempted to seek out the highlights — the big games, the championship teams and the most storied coaches and athletes.  
 We'll admit in advance that we neglected many things, so please bear with us. We welcome your comments on this section, as well as suggestions for future "nostalgia" pieces.  
 But for now, turn the page and enjoy!
