The boys' cross country this year finished with their first winning team in some years. Their record was 5-4 in dual meets and a very respectable fifth place finish at the district meet.

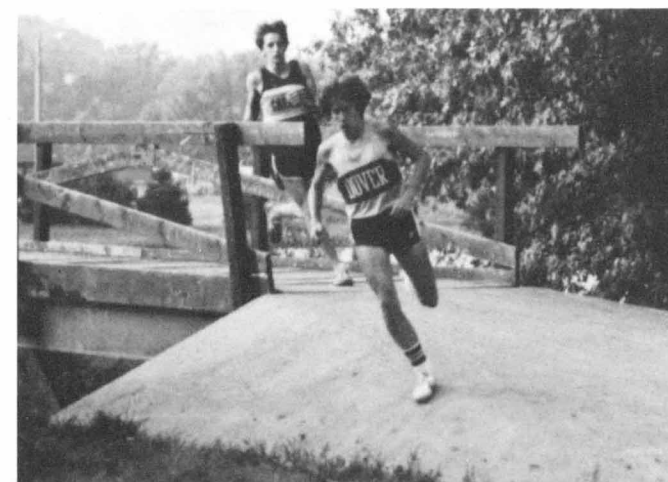

Those leading the way were: Robert Smith and Dan Newell, both seniors; Tim Allen, a junior; Todd Wagner, and Kevin Stauffer, sophomores; Kenny Smith, Dan Van Epps, Bart Cochenour and Jamie Walters, freshmen. Robert Smith was the most valuable runner and Kenny Smith was the most improved runner.

The girls finished with a 4-1 record and finished third at the District meet, just missing going to state by two points.

The girls were led by Patty Lenarz, Marlene Ray, and Brenda Stauffer, seniors; Amy Contini, and Sue Eichel, sophomores; and Stephanie Strimple and Chris Monios, freshmen. The most valuable runner was Patty Lenarz and the most improved runner was Marlene Ray.

DHS Golfers —

The Golf team featured a few bright spots this season. Sophomore Jim Lanza led the team and shows promise of doing the same for the next two seasons. With only one senior leaving the squad, valuable experience should return in 1981. The reserve record indicates some potential for varsity improvement, especially when the fact that one-half of the squad is comprised of freshmen is considered.

Sometimes a tornado — or was it a mere surface turbulence — beats itself to death on the surrounding hillsides before it can generate any real awesome fury. There may be storm warnings, watches, and even sighting without anything ever materializing except the omnipresent and pervading fear of disaster — real or imagined.

Those who moved, those who quit, and those who chose not to pay the price pretty well summarize Dover's 1980-81 wrestling season. The injured, the inexperienced, and the faint of heart inadvertently added to a plethora of problems. Everything that could possibly go wrong did, and mere mediocrity seemed an unobtainable goal at one time early in the season.

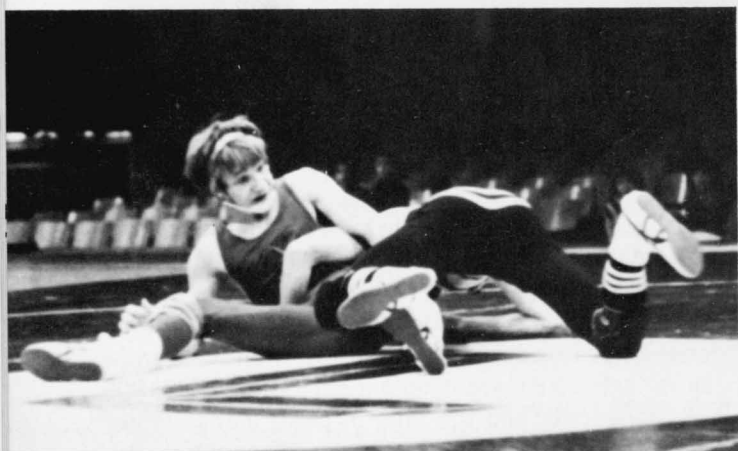

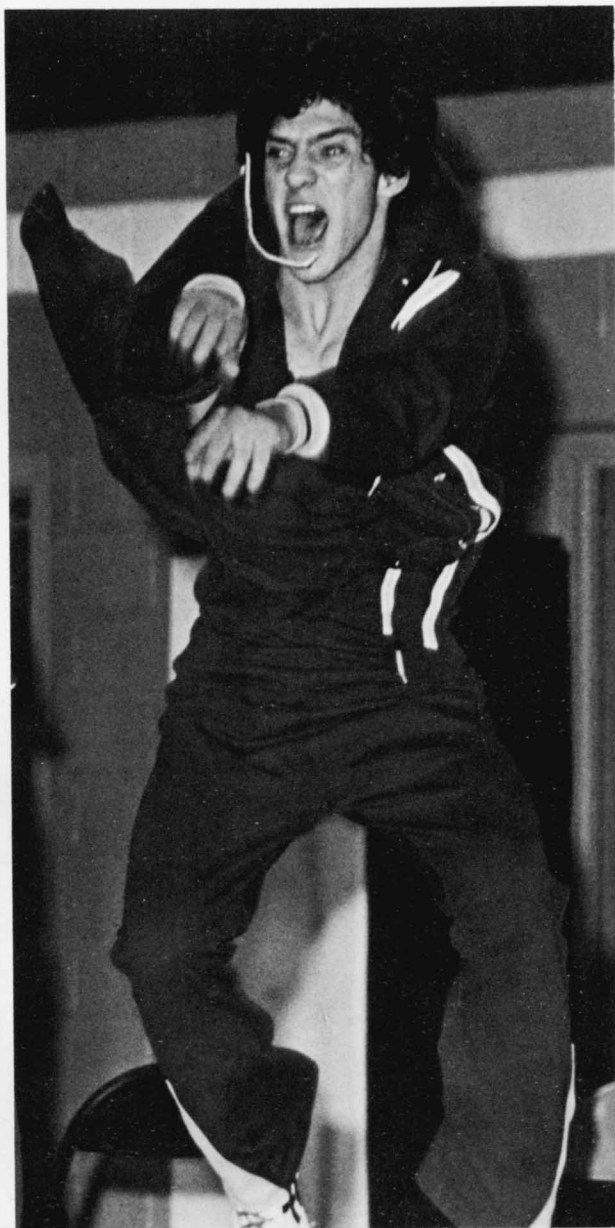

Long suffering arch-rivals found ample opportunity to vent their frustrations against Dover's dominance. Carrollton, Coshocton, Claymont and Marietta all put the Whirlwinds down, and even the boys across the river beat them 27-19 in their twentieth try. The tournament trail wasn't any kinder as the Crimson struggled to finish in the top four. County, Conference, and District laurels all passed them by.

There were occasional flashes of old times — an 11-8-0 dual meet ledger to continue the never-a-losing-season streak, another invitational championship, and an overall victory for Coach Paul Mowery.

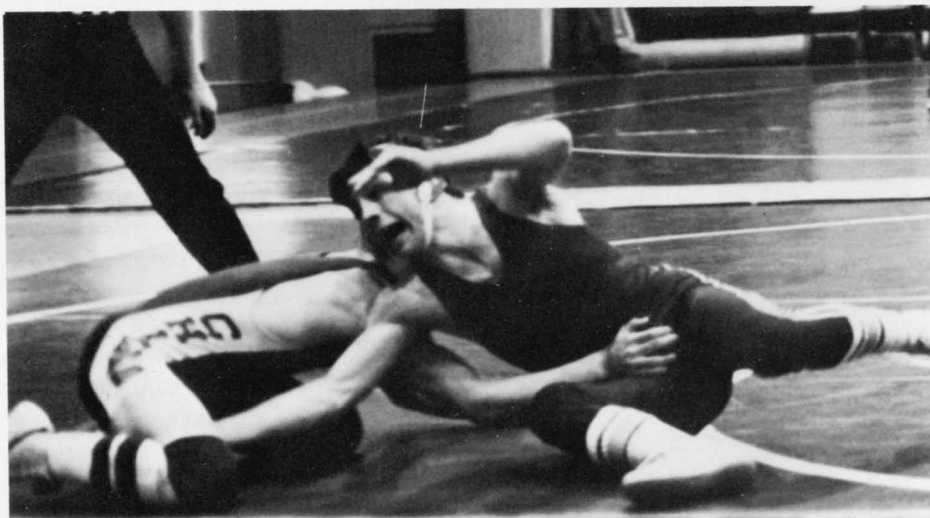

The highlight of the year had to be the rousing come-from-behind 30-24 win over rival Morgan to tie the national Dual Meet record of 37!

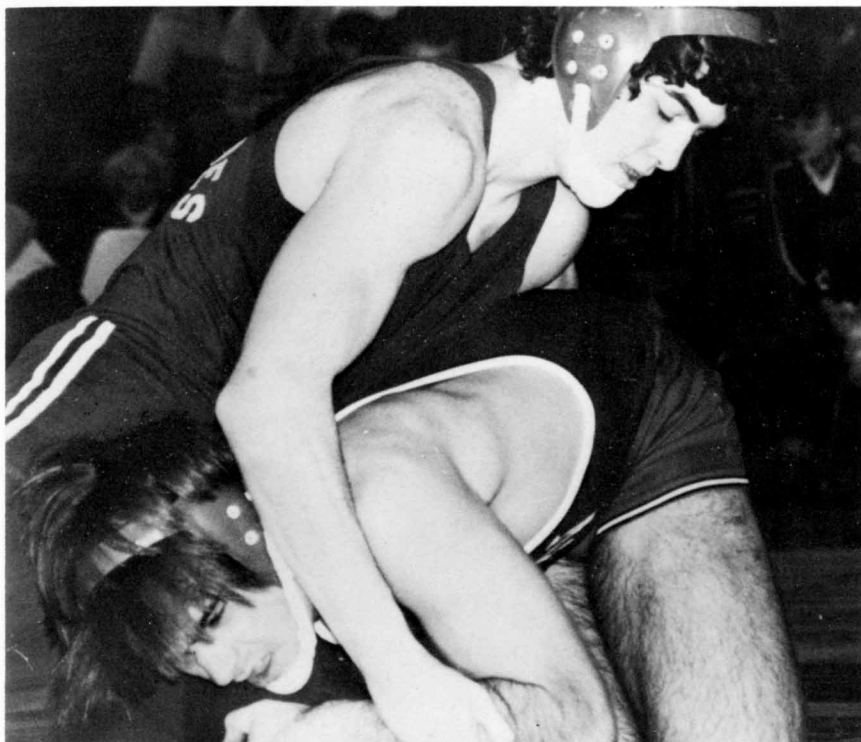

Only seven maulers were winners. Burly Brian Burrell was impressive with his second straight undefeated season. Gary Grieson, Dan Newell, Steve McCartney, Mark Crow, and Dave Korn contributed more than 11 victories to the cause. First year senior starter, Mike Hawk, finished 6-5-1. Brian Burrell won M.V.P. honors for his overall contribution to the program and shared the Top Dog trophy for the most regular season falls with Grieson. Mewell was named most improved player, Korn captured coach's trophy for individual sacrifice, and McCartney was elected captain for the 1982 season. Burrell and Newell capped outstanding four-year careers by winning trips to state.

Katie also received her second letter with a record of 18-10, the most wins of the season.

1981 Guy's Tennis

Dover Tennis broke long-standing records again in 1981. The team finished with a 14-6 record, the best in this school's history. We defeated Perry, Jackson, and Zanesville this year, the first time ever! Jim Lanza and Barry White both qualified for the district tournament by winning sectional's upper bracket in doubles. Jim Lanza also broke the school record for the best individual season ever, — 18-2! Cal Hunter and Kyle Miller, Dover's #1 Doubles team, also broke a record, winning 14 times to only 6 losses for an individual season. Senior Captain Dale Kreisher was named as the team's most valuable player. Jim Lanza was awarded as the team's most improved player along with the most wins. Cal Hunter was given the Coach's Award for outstanding leadership and dedication.

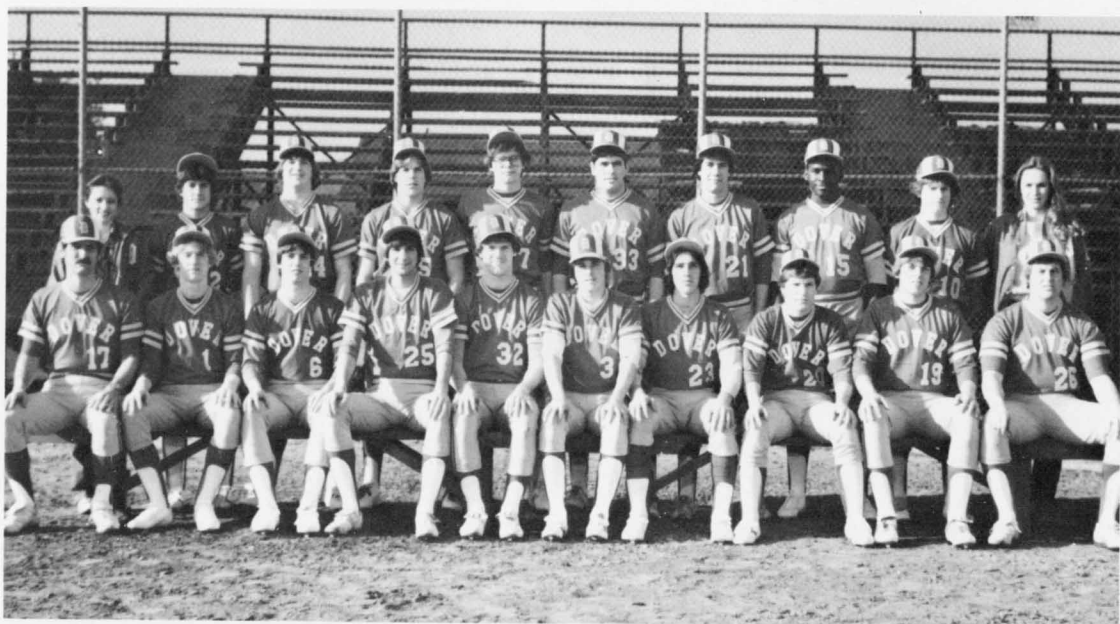

Pictured here are Jim Lanza (top) and Dale Kreisher showing their best form.

Youthful, energetic, and for the most part, inexperienced, the 1981 Tornado diamondmen gave a good account of themselves by compiling a record of 13-9. Dominated by underclassmen, the team was led by the pitching of Robby Jones (Most Improved Player), the fielding of Jim Morris, and the dependability of Rick Zuercher (Most Valuable Player) — the only senior players. Juniors Butch Braglin and Jim McDougall shared this year's batting crown, while the remaining baseballers hold promise for a bright future.

Struggling early in the season, the reserve fledgling Tornados finished on a strong note posting a record of 7-8 overall.

After the Struggle — Is It Worth It?

Not for the name in lights or even for the glory of D.H.S., but for the satisfaction of trying, occasionally winning, but always giving our best — it is worth it.
