Welcome to DHS!

The daily routine at DHS was well known to all its students. In the morning, most of us climbed off busses or out of cars and hurried to our lockers, maybe stopping at the Attendance Office if we didn't quite manage to make it to school on time. Then, of course, it was off to class. During our free moments, many of us worked diligently in study hall, while others busied themselves in the library or Media Center.

A Day

Though classes ended at 2:50, the day wasn't over then for most of us. There was always something to get involved in, whether it was play practice, a football game, or cheering at a pep rally - Where even our teachers might decide to get into the act!

GRADUATION

Balmy Skies Give A Show-Biz Finish to Graduation

Congratulations to Graduates:
When you need an automobile, stop at S.S. Car Company on
the corner of Front and Crater.

Check the roster for a complete list of graduates, and more
graduation pictures, pp. 190-199.

On Sunday, May 17, 1981, commencement exercises were held at 2:00 p.m. at Crater Stadium. Six Valedictorians and a Salutatorian addressed the graduating class. The graduates reflected on school days past and present. They noted everything from "helping the present economic system" to "going for the gusto!"

Class Motto:

The world is round and the place
Which may seem like the end may
Also be only the beginning.

The math department has been very busy the past year to make our understanding of mathematics more complete and interesting in the years to come. First if you've taken Algebra 1 in 8th grade, you'll be happy to find out that if you score high enough on your placement test, you will be able to earn $\frac{1}{2}$ or even 1 college credit in math. They've arranged an Advanced Calculus course worth up to 1 COLLEGE

CREDIT.

The school has also spent \$3,900 on calculators to be used in the higher math courses. Thirty TI-55's were purchased to be used in Algebra II lower classes, and thirty TI-58's were purchased to be used in Algebra II and higher classes. In your future class choices you should seriously consider taking the math road; it will definitely pay off in college!!

Some math heads in action.

On the right page, Mrs. Mackey is busy getting those papers graded. Below her is Mr. Johnston and his best buddy, Craig Weiss.

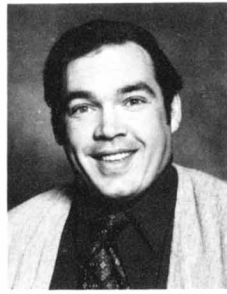

English course offerings got fewer this year as the English department felt the influence of the "Back to basics" movement and tightened school budget. Still many students "sweated out" those writing classes, knowing that it would pay off when they moved to the universities and colleges. Some wrote letters in business English while others studied literature from Chancer to Hemingway. Television productions of plays and stories helped add interest and cut the cost of renting movies. In fact, television seems to be opening new frontiers for the future English student.

Changes came to the Social Studies department during the 80-81 school year. Mr. Swinderman's room took on a new look with painted murals of the Capitol, flag, and Statue of Liberty. Mr. Henry took a leave of absence, and Mr. Zurowski had to adjust to the world of history again. With this being a presidential year, the mock election was once again held and proved to be an even greater success than the previous year.

D.H.S. Football Is Where It's At!!

We'd like to congratulate the team on their great season. They went 8-1-1. They also beat Phila, were C.C. Champs, and gained a berth in the playoff's against Youngstown Mooney in the Rubber Bowl, but lost 41-6. We would also like to welcome our new Head Coach, Coach Maltarich, who led us to this victorious season. Good luck in the future.

The boys' cross country this year finished with their first winning team in some years. Their record was 5-4 in dual meets and a very respectable fifth place finish at the district meet.

Those leading the way were: Robert Smith and Dan Newell, both seniors; Tim Allen, a junior; Todd Wagner, and Kevin Stauffer, sophomores; Kenny Smith, Dan Van Epps, Bart Cochennour and Jamie Walters, freshmen. Robert Smith was the most valuable runner and Kenny Smith was the most improved runner.

The girls finished with a 4-1 record and finished third at the District meet, just missing going to state by two points.

The girls were led by Patty Lenarz, Marlene Ray, and Brenda Stauffer, seniors; Amy Contini, and Sue Eichel, sophomores; and Stephanie Strimple and Chris Monios, freshmen. The most valuable runner was Patty Lenarz and the most improved runner was Marlene Ray.

DHS Golfers —

The Golf team featured a few bright spots this season. Sophomore Jim Lanza led the team and shows promise of doing the same for the next two seasons. With only one senior leaving the squad, valuable experience should return in 1981. The reserve record indicates some potential for varsity improvement, especially when the fact that one-half of the squad is comprised of freshmen is considered.

D.H.S. Varsity Wrestlers

This year's Varsity team was: Standing — Mike Myers, Mike Hawk, Phil Gordon, Dave Korn, Ben Smallridge, Terry Young, Brian Burrell, Gary "Gus" Greisen, John Walker, Terry Shyrock, Steve Moser, Bill Thayer, Dan Newell, Mark Crow, Dave Maize, and Steve McCartney.

In the upper right hand corner is senior Mike Hawk working a double wrist ride. Below is Mr. Mowrey excited about putting another victory to his record. Right is Brian Burrell ready for a big match.

Sometimes a tornado — or was it a mere surface turbulence — beats itself to death on the surrounding hillsides before it can generate any real awesome fury. There may be storm warnings, watches, and even sighting without anything ever materializing except the omnipresent and pervading fear of disaster — real or imagined.

Those who moved, those who quit, and those who chose not to pay the price pretty well summarize Dover's 1980-81 wrestling season. The injured, the inexperienced, and the faint of heart inadvertently added to a plethora of problems. Everything that could possibly go wrong did, and mere mediocrity seemed an unobtainable goal at one time early in the season.

Long suffering arch-rivals found ample opportunity to vent their frustrations against Dover's dominance. Carrollton, Coshocton, Claymont and Marietta all put the Whirlwinds down, and even the boys across the river beat them 27-19 in their twentieth try. The tournament trail wasn't any kinder as the Crimson struggled to finish in the top four. County, Conference, and District laurels all passed them by.

There were occasional flashes of old times — an 11-8-0 dual meet ledger to continue the never-a-losing-season streak, another invitational championship, and an overall victory for Coach Paul Mowery.

The highlight of the year had to be the rousing come-from-behind 30-24 win over rival Morgan to tie the national Dual Meet record of 37!

Only seven maulers were winners. Burly Brian Burrell was impressive with his second straight undefeated season. Gary Grieson, Dan Newell, Steve McCartney, Mark Crow, and Dave Korn contributed more than 11 victories to the cause. First year senior starter, Mike Hawk, finished 6-5-1. Brian Burrell won M.V.P. honors for his overall contribution to the program and shared the Top Dog trophy for the most regular season falls with Grieson. Mewell was named most improved player, Korn captured coach's trophy for individual sacrifice, and McCartney was elected captain for the 1982 season. Burrell and Newell capped outstanding four-year careers by winning trips to state.

Mandy Spies received her second letter and the "D" award (D is for Desire, Dedication, Decorum, Determination, and Dover). Along with her sister, Katie, she won the Doubles Sectional Championship.

Katie also received her second letter with a record of 18-10, the most wins of the season.

1981 Guy's Tennis

Dover Tennis broke long-standing records again in 1981. The team finished with a 14-6 record, the best in this school's history. We defeated Perry, Jackson, and Zanesville this year, the first time ever! Jim Lanza and Barry White both qualified for the district tournament by winning sectional's upper bracket in doubles. Jim Lanza also broke the school record for the best individual season ever, — 18-2! Cal Hunter and Kyle Miller, Dover's #1 Doubles team, also broke a record, winning 14 times to only 6 losses for an individual season. Senior Captain Dale Kreisher was named as the team's most valuable player. Jim Lanza was awarded as the team's most improved player along with the most wins. Cal Hunter was given the Coach's Award for outstanding leadership and dedication. Pictured here are Jim Lanza (top) and Dale Kreisher showing their best form.

Youthful, energetic, and for the most part, inexperienced, the 1981 Tornado diamondmen gave a good account of themselves by compiling a record of 13-9. Dominated by underclassmen, the team was led by the pitching of Robby Jones (Most Improved Player), the fielding of Jim Morris, and the dependability of Rick Zuercher (Most Valuable Player) — the only senior players. Juniors Butch Braglin and Jim McDougall shared this year's batting crown, while the remaining baseballers hold promise for a bright future.

Struggling early in the season, the reserve fledgling Tornados finished on a strong note posting a record of 7-8 overall.

The Dover High Band, Majorettes, and Cheerleaders left us so riled up from the football season, that Dover High kept all of the others "biting the dust" for the rest of the year.

Dover Band: A New Beginning

Above is the Dover Bands full-time "band head" Wendy Fortney. Wendy is an example of the spirit in the Dover band. She possesses dedication, pride, and puts a lot of effort into everything she does. Dedication is a must. Without dedication from each member, the Great Dover Band would be no longer great. Pride is essential. Without pride and support from the community, the band would not have confidence. Effort is required to put on an outstanding performance. The effort has to be made, or the show won't go on. Top right is the marching band in all their glory. Lower left is the band during an

outstanding performance. Lower right shows Karen Keppler ("Lips") concentrating on delivering another good show. After many years of hoping for new uniforms and a new band shell, their dream came true. In the summer of '80, the band shell was being constructed. Uniform fittings were being held at the school. Both of these big projects were financed by an anonymous donor. The band takes this opportunity to thank our anonymous friend for helping maintain our high standards. The band is truly grateful for such large, necessary gifts as a band shell and brand new uniforms.

... And Leadership

Philip Wagner
Recipient of the John Philip Sousa Award

Above we see the leaders of the Dover band: the band council. It is the elected council member's job to represent their individual classes to decide on important issues that the directors might wish to discuss. The council met every Tuesday after school to talk about what was pleasing or displeasing them. The directors value the time and effort each member has given. This year's band council took charge of the band show and the band banquet, two very large projects, as well as heading the publicity, spirit, stage crew, and "Swagger" newspaper committees. The 1980-1981 members were: President, Phil Wagner, Julie Moore, Bart Herman, Jane Karl, Denise Wells, Linda Dreher, Sara West, Secretary Jill McCombs, Jim Slusser, Historian Ellen Hennis, Vice president Karen Keppler, Assistant Secretary Paula Harmon, Cathy Short, Melanie Burkhart, Jay Wherley, Scott Kellicker, Rod Flauhaus.

1980-81 was another busy and productive year for the choir. We held our traditional concerts at Christmas and in the spring. Both were well attended and enjoyed by our families, friends and neighbors. The choir also participated in a workshop with four other choirs, which was not only interesting and fun, but sometimes a little crazy! When Solo and Ensemble Contest rolled around in February, about twenty of our members summoned up the courage to compete, and we were very proud when most of them brought home Superior ratings.

This year had one sad aspect — it was the last year that we'll have the help of our Assistant Director, Miss Christine Baker. We'll never forget her help when we just couldn't learn those impossible harmonies, or when our music had to be checked off two days ago, but she played it for us anyway. Good luck, Miss Baker. We'll miss you.

The smiling DHS tenors are: Back row, Alan Hamsher and Dan Knotts, front row, Dilip Tripathy and Brent Kelker. These extremely cheerful men are grinning at you in the picture above.

At left, the altos are shown in their usual formation — disorganized. But seriously, these ladies were indispensable, not only to the choir's music but to its sense of humor. They are: Front: Tammy Maher. Second row: Cynthia Tripathy, the left half of Gina Space, Peggy Hellem. Third row: Andrea Dorca, Kay King, Mindy Lorenz. Fourth row: Toni Bleining, Joyce Rentsch, Lisa Warther.

For our service project, the group assisted a family at Christmas by providing them with a Christmas tree and toys from Santa.

We Did Our Best!

The members of the National Honor Society deserve the best for "giving it all they had." They were not out cruising the Boulevard (at least not every night) but were staying home with the books studying long hour on the homework. After all their hard work, honor is theirs. They are members of one of the most respected clubs of all, the National Honor Society. They are our best.

OUR EXCHANGE STUDENT, Andrea Dorca from Brazil. Andrea breezed into our lives for the second semester and made everything seem a little brighter. She managed to forget her native Portuguese and speak a very good English for us with just a little accent. Here, she reviews some facts about Uberlandia, her home town, a town of some 300,000 people. No wonder she was a little lost here in Dover! We want to wish her the best back in Brazil.

We Do It All For You

The Preparation of this year's **Swirl** was fraught with all the usual hazards of yearbook-making; Pictures were lost, pictures were found but no one knew what they were for, 11 freshmen were completely unidentifiable, and Swirl Staffers kept mysteriously disappearing about ten minutes before the lunchtime bell.

But in spite of all these obstacles, the valiant **Swirl** Staff managed to complete this utterly fascinating book through which you are now leafing and looking for pictures of yourself. We hope that the pictures at right will give you some idea of the fun, fuss and frustration that went into the 1981 **Swirl**. Just remember, DHS, we did it all for you!

The official school photographer was Troup & Pluto of Canton, and additional pictures were provided courtesy of The Times-Reporter and Mitchell Studios.

Editors were Michelle Hartz and Vicky Zifer.

Good-bye to a Friend of D.H.S.

That big desk in the principal's office looked mighty empty on the last day of school. It had just been vacated by a man who had first filled it when the 1981 Seniors were in the first grade. Twelve years is a long time to walk the D.H.S. halls — to make sure the teachers are pushing math, science, and history, that the T.V.'s are focused right in Room 115, that the machines are humming in wood shop, that the basket balls are bouncing in the gym — all the little details that make up a principal's day. He will miss all that, but more, he will miss guiding, helping, pushing kids along in the right direction, or just kidding them along a little. A lot of kids, now adults, remember that guidance kindly. That's a good tribute for Mr. Schrock to take with him. He made a good impression on a lot of lives.
