

# Smile ... We've got the spirit!

D.H.S. students kept a smile on their faces during the year. Of course they had their reasons. The year started out with a successful cross country and football season. The band also added excitement during the fall. Even routine classes, such as biology and drafting, let our minds be occupied throughout the year.

Spirit, however, was kept on the track by the Seniors who anxiously awaited May 21, 1982.

# DHS Spirit — 1982 Style

This year's senior class constructed a "spirit pyramid" as a way of showing our school and team support. The strong foundation was built on our great football season. The mighty team had an outstanding year and went on to beat Phila and be C.C. Champs! The second level was strengthened by our support of the guys and gals basketball squads and the wrestling and tennis teams during the long winter months. The year was topped off by the exciting track, baseball, and tennis seasons that came with the first signs of spring. We hope that the oncoming seniors will show the same DHS spirit as the Seniors of '82.

This year the Dover Varsity Cheerleaders went to Kenyon College for Cheerleading Camp. They received top honors and first place out of twenty other squads from Ohio. The cheerleaders did a great job promoting spirit throughout the student body.

This year's spirit exploded again with another great Dover-Phila week! The spirit started with a "dress-up" day to show Phila our class. Tuesday and Wednesday were Stomp 'em and "punk-out" days. Thursday was our traditional "Mourn Phila" day when everyone wore their black attire and several visited the cemetery. On Friday, D.H.S. students were all DECKED OUT in their Red & Gray colors for our "Kiss a Tornado" day. The week was full of fun and good times and was topped off with a perfect D.H.S. victory over New Phila!

# Homecoming 1981

Homecoming is one of the most exciting events during the year. It begins with nominations for the queen out of all the girls in the senior class. It is narrowed down to ten girls, then to the three finalists. During the week, suspense fills the air until the night of the game when the queen is finally crowned.

This year the Homecoming Dance, sponsored by the Student Council, took place at Park School. The theme was Fantastic Voyage. The gym was decorated to give a feeling of being on board a pirate ship. Everyone enjoyed the evening that ended way too soon.
