1982

Bob's Big Boys ... OH SO TOUGH!

The 1981 edition of the Dover Tornado Football team completed another championship year. After a heartbreaking 7-6 defeat at the hands of Steubenville Big Red in the opening game of the season, the Tornadoes put together a string of 9 straight victories and their third straight cardinal conference championship. The championship drive began with a 55-0 blasting of Coshocton, and ended with a 14-0 thrashing of New Phila. In between there were exciting games with Wooster, Mansfield Madison, and Ashland. The mighty Dover defense recorded 5 shutouts, while the Dover offense scored 270 points on the season. Head coach Bob Maltarich led the team, and received the Coach of the Year award for the second year in a row. Way to go, Tornadoes! Bottom left: Chris Hutras heads for paydirt. Bottom right: Even football players need a hug once in a while, right Freddie?

"I was very pleased with this year's group of kids. They worked very hard — extremely hard — running ten to fifteen miles a day during the summer. They were very coachable.

We had a young team that needed the leadership of Tim Allen, Todd Wagner, and Kevin Stauffer. Allen, Todd Wagner, and Kevin Stauffer.

The surprises were how well Leroy Phillips and Bill Leiser did as freshmen. These two young men did a tremendous job against stiff competition."

— Coach Steve Lenarz

The team finished second in the Cardinal Conference and third in the District. The Most Valuable Runner this year was Leroy Phillips and the Most Improved Runner, Bill Leiser.

Attaining the status of winningest coach in the country with an overall record of 532-105-5, dual meet mark of 381-51-2, and tournament figures of 49-55-1 was no consolation to coach Paul Mowrey as Dover wrestling experienced its first losing season in history and earned no tournament titles. Nobody qualified for the state championship for the first time in 12 years, and there was very little else to soothe the wounds of an agonizing 7-11-0 season.

However, senior standouts, Todd Handrich and Terry Young, led an inexperienced contingent of grapplers through a most frustrating campaign. There were only 6 winning records! Handrich captured the most valuable player award for overall contribution to the program and the coveted top dog trophy for the most pins during the regular season. Young earned both most improved player and takedown trophies while Scott McCartney garnered the coach's trophy for individual efforts this year. Handrich, Steve McCartney and Danny Green copped county championships. Handrich, Green and Young were conference titlists. Young was sectional champion and second in the district tournament.

You cannot run a Rolls Royce on six cylinders. We should be in better shape as far as the lighter weights are concerned next year; however, we must locate some fearless bigger athletes somewhere if we hope to be competitive again and regain any of the dominance we once enjoyed in local wrestling circles.

The girls' tennis team finished their season 12-12. Even though it was a very average season, they did very well considering there were only three experienced varsity players.

Katie Spies, the No. 1 varsity singles player, had an exceptional year. She is third in all-time high wins, led the team in wins, was MVP, and was winner of the D-award along with Anna Marie Pruni. Anna Marie and Julie Smith gave 'em their Chip and Dale all and were the sectional doubles champs. Vicky Waldo and Kim Waters completed their year as Most Improved Players.

the Greatest Seasons Ever

The Dover Golf Team surprised a lot of opponents during the 1981 season. With 22 wins and only 10 losses the team tied as the second winningest team at Dover (the 1974 team won 26). High points of the year had to be the 1st places in the Fall Futura at New Phila and the Fall Festival and the strong second place in the Dover Invitational.

The Reserve Team reversed a losing trend and set a 12-8 mark. The fact that all the reserve golfers were either freshmen or sophomores indicates that some good years should be forthcoming for Dover Golf.

Jim Lanza placed on the Interstate Golf League First Team and was named to the coaches AAA District Team. Barry White qualified on the Interstate Golf League Second Team.
