## *And Superior Ratings*

The 1982-83 School year has indeed been an exciting and productive one for the Dover Band. Traditions, both new and old, paved the way for a most successful Marching Season. The Marching Tornados were received with great enthusiasm by the crowds at their many performances, and rewarded with several standing ovations throughout the season. Band morale was "Sky High" entering concert season and the Winter Concert program was an exciting as the marching performances. In concert band competition, the Symphonic Band proved to be a "Superior" group by earning a superior rating at District Contest and again a Superior Rating in State Level Competition. A special highlight of the year for the band was their participation in the 1983 Blossom Festival Parade in Niagara Falls, Ontario, Canada, which proved to be a very educational and enjoyable experience.

The directors worked especially hard and it really paid off. Across the page, Mr. Gillaspie, Mr. Goudy, and Mr. Delphia proudly watch the Phila show. For years we're wondered how Mr. Lyon did it. Now we see he has four hands!

The choir is an example of dedication and determination at Dover High. They work all year perfecting their talents. Under the direction of Mr. Hall, they held their traditional Christmas and spring concerts that were attended by many. At the right, we see the kind of determination that Dena Denbow and Holly Harmon exhibit to make the choir a concerted effort.

## *Looking Back at a Busy Year*

Besides performing their winter and spring concerts, the D.H.S. Choir kept pretty busy. They made a trip to Chicago last spring and participated in solo and ensemble contest. The Girl's Chorus received a superior rating at district contest and went on to state. To make money, the choir sponsored a spring clean-up sale and a tag day.
