# THE TIME OF THE SEASON

Homecoming 1983 Kicked off Friday, October 14th when Dover beat Madison 7-0. During the pre-game ceremonies, Lori Zahler was crowned queen. Her attendants were Becky Zifer and Chris Hefner. Following the game Student Council members spent the night creating an autumn park scene for the annual dance. One person even thought the trees were real, right Greg?

For the most part, The Homecoming was an enjoyable evening, which only goes to show that it really was "The Time of the Season."
