Getting Together

The very best times are the times spent with friends.

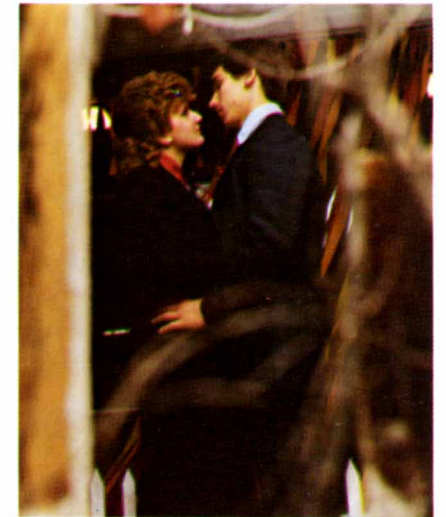

At right, Michelle, Mindy, and Laura think they are posing for GLAMOUR Magazine. Below, Mary Beth, Polly, Carolyn, Leslie, and Lynda get together for Kyle Miller's birthday. Next, Rhonda and Becky get the "munchies" 9th period in the band room. Beyond them, Seniors show how to get "Psyched up" at a pep rally.

With Friends

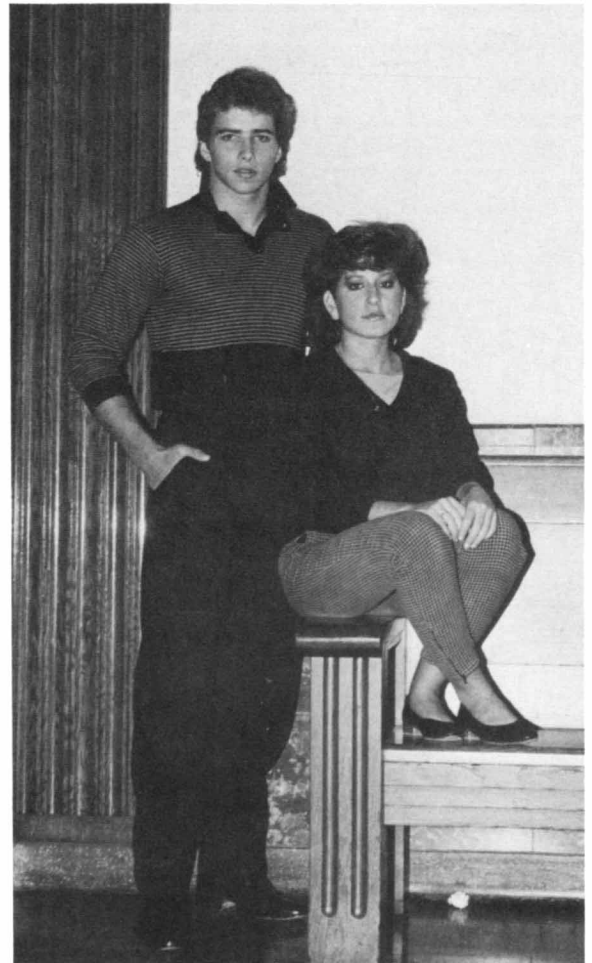

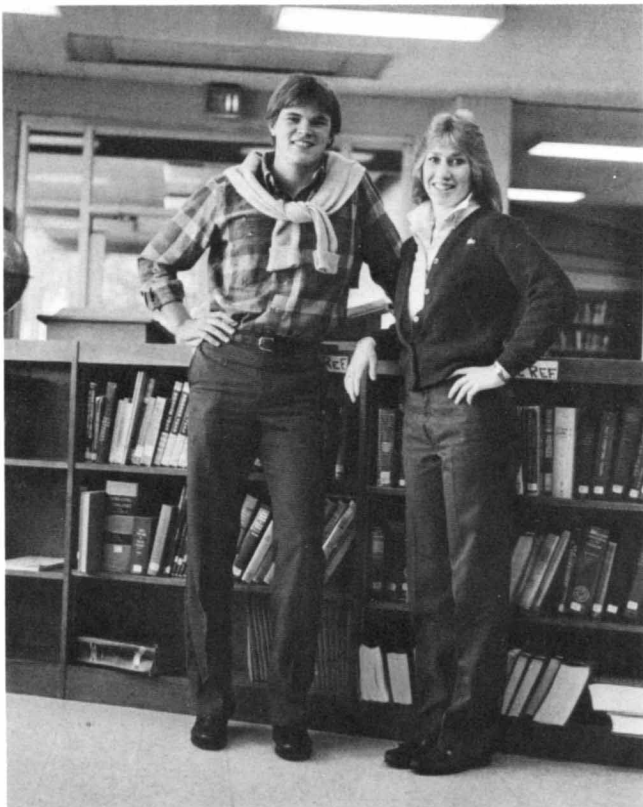

At left, Tom and Kim are content to be alone, and Leslie and Dave also share a special moment. Then below, John and Brian fool around instead of decorating for the dance.

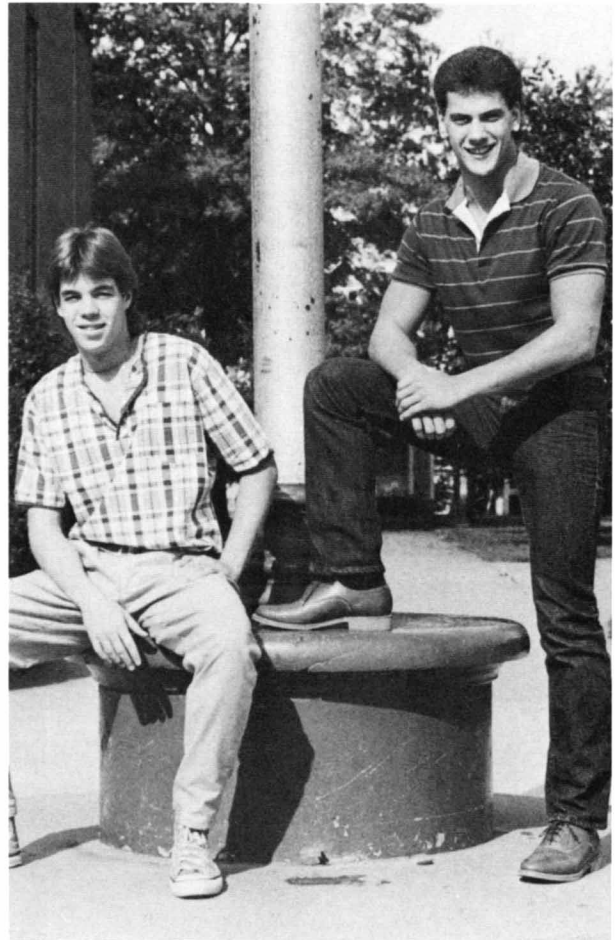

DOVER'S TREND-SETTERS

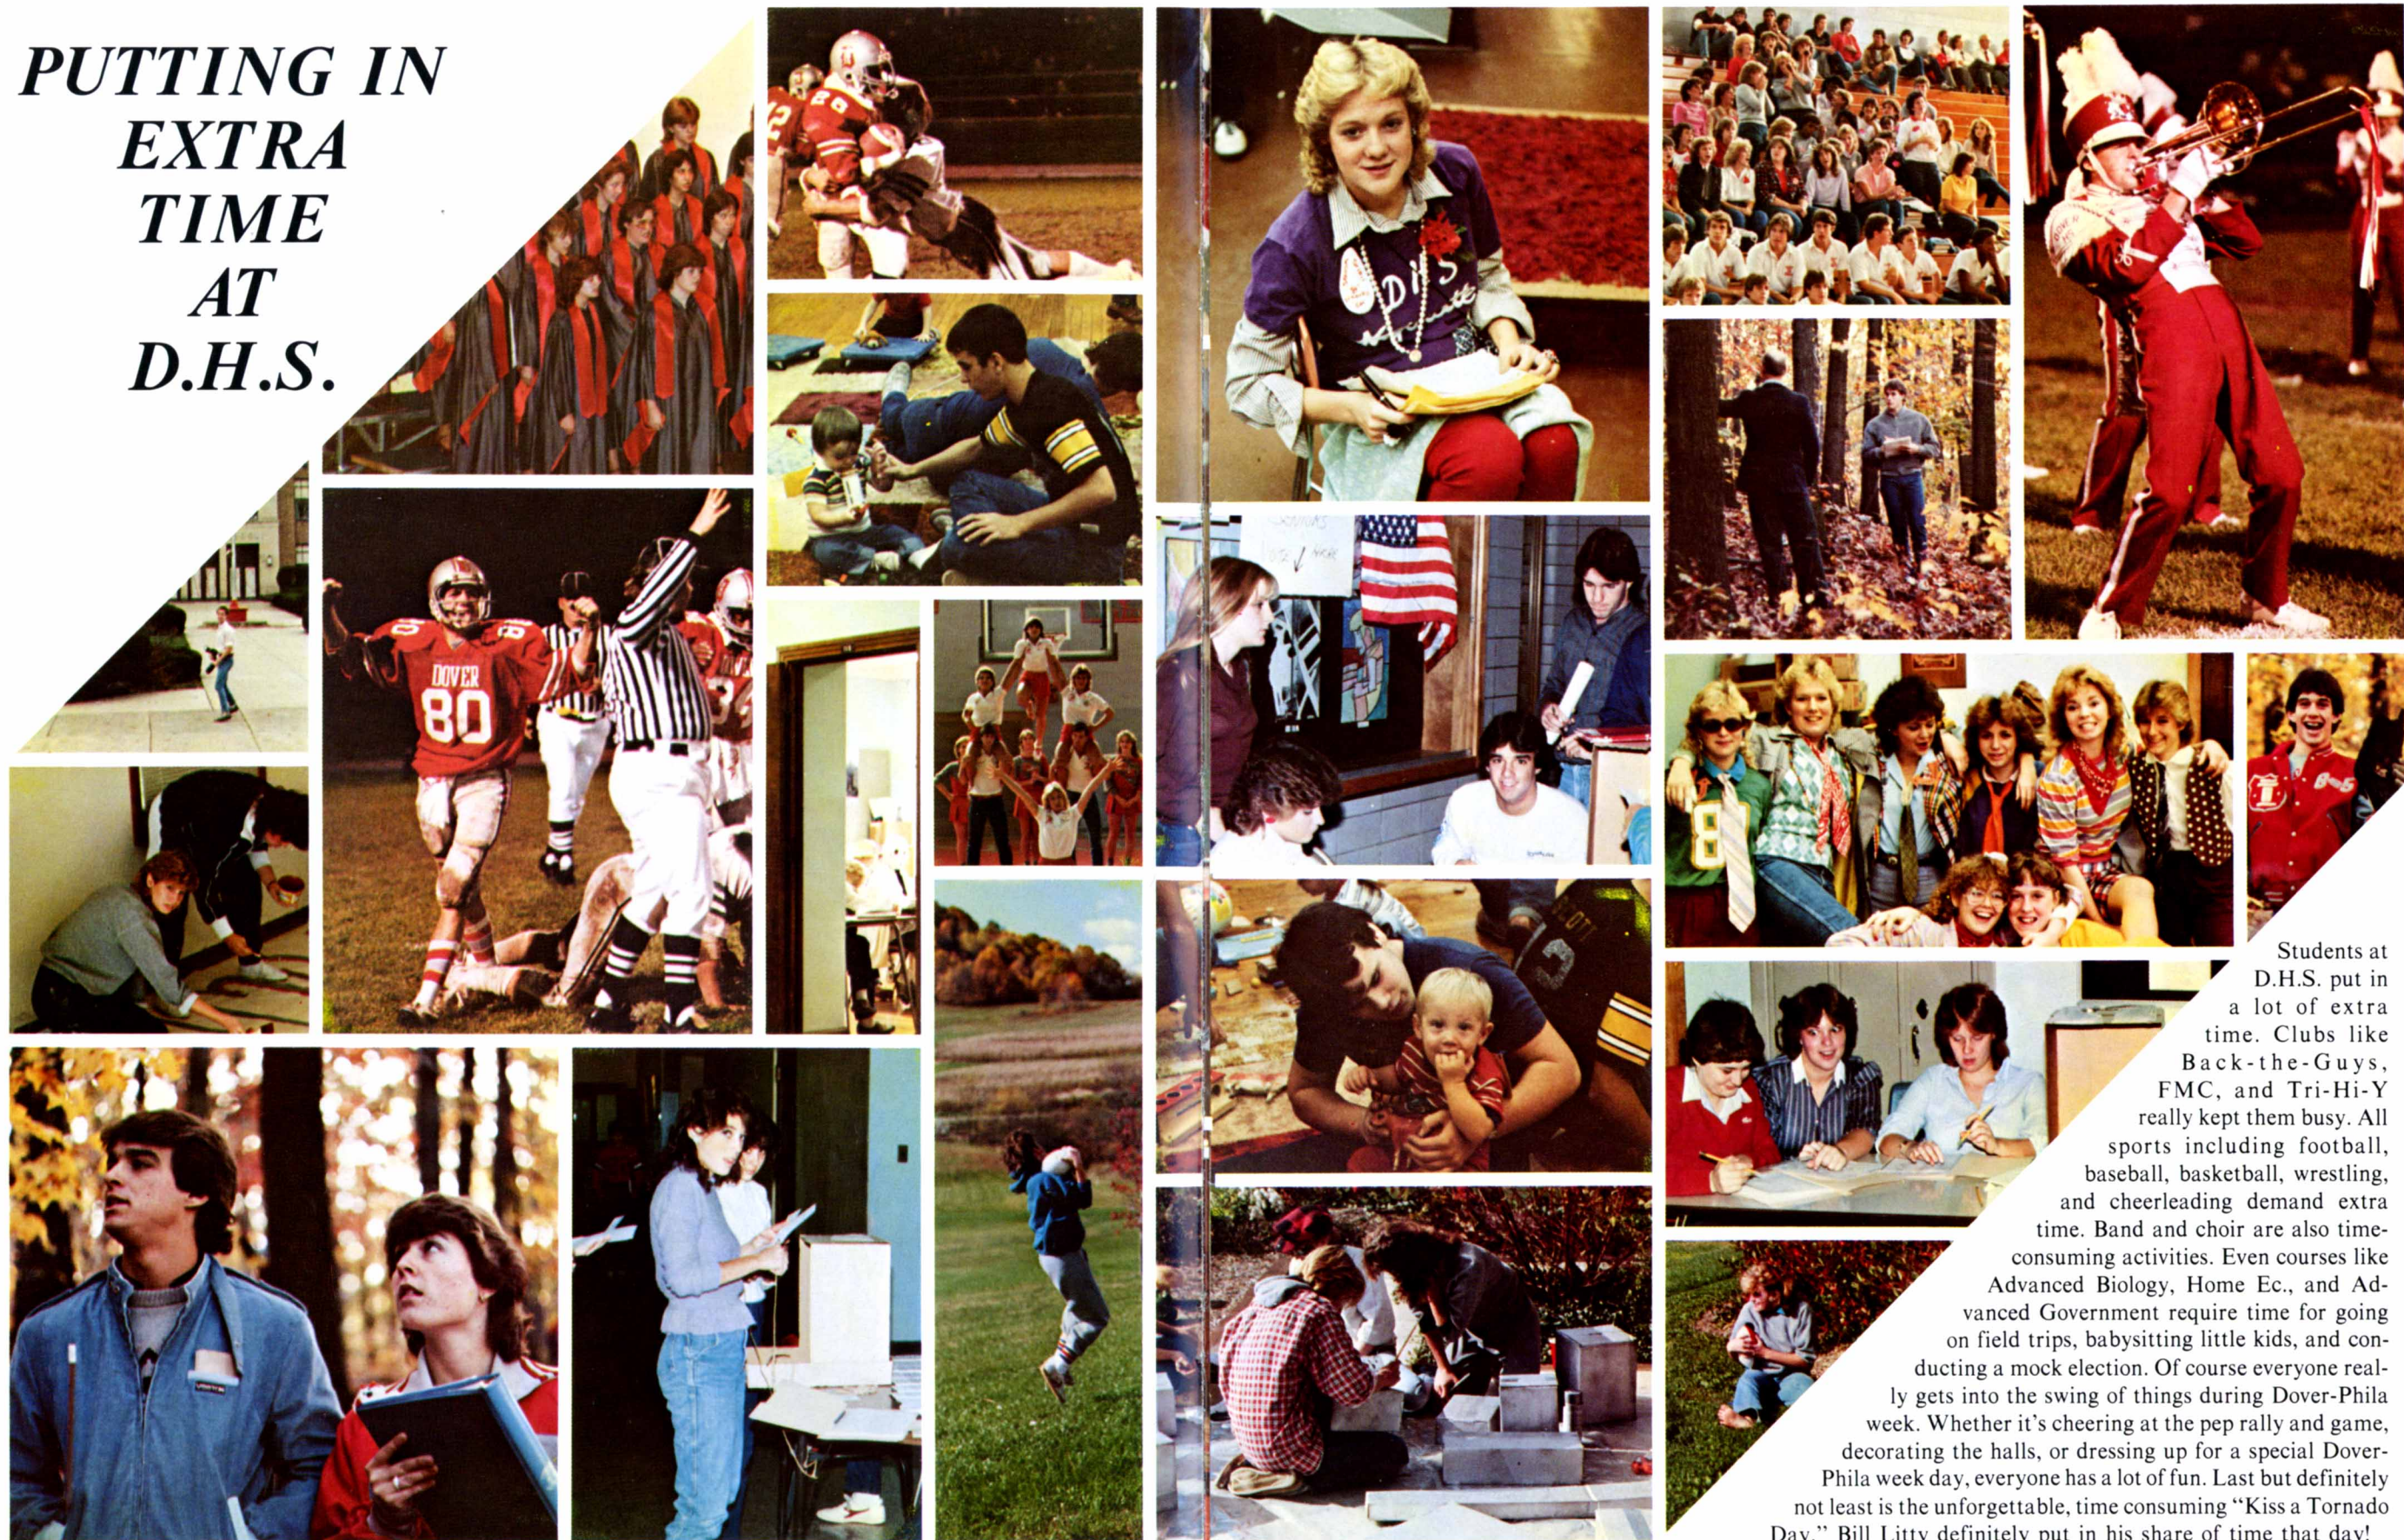

Some of Dover's "Sharp-Dressed" girls and guys modeled the latest Fall fashions.

PUTTING IN EXTRA TIME AT D.H.S.

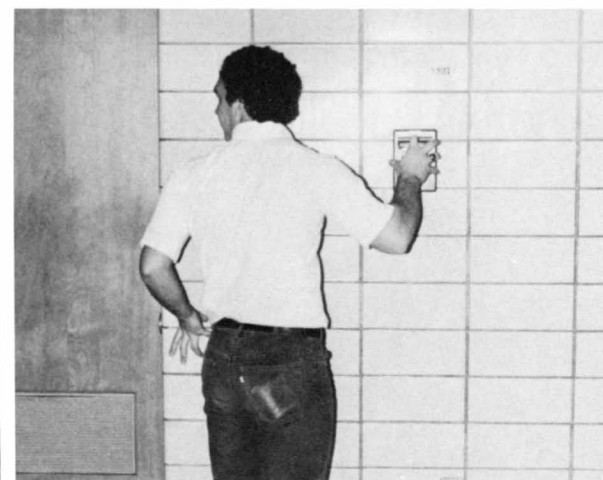

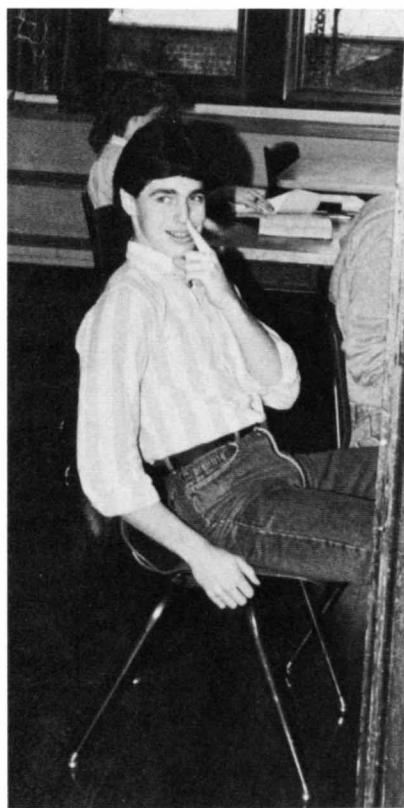

Students at D.H.S. put in a lot of extra time. Clubs like Back-the-Guys, FMC, and Tri-Hi-Y really kept them busy. All sports including football, baseball, basketball, wrestling, and cheerleading demand extra time. Band and choir are also time-consuming activities. Even courses like Advanced Biology, Home Ec., and Advanced Government require time for going on field trips, babysitting little kids, and conducting a mock election. Of course everyone really gets into the swing of things during Dover-Phila week. Whether it's cheering at the pep rally and game, decorating the halls, or dressing up for a special Dover-Phila week day, everyone has a lot of fun. Last but definitely not least is the unforgettable, time consuming "Kiss a Tornado Day." Bill Litty definitely put in his share of time that day!

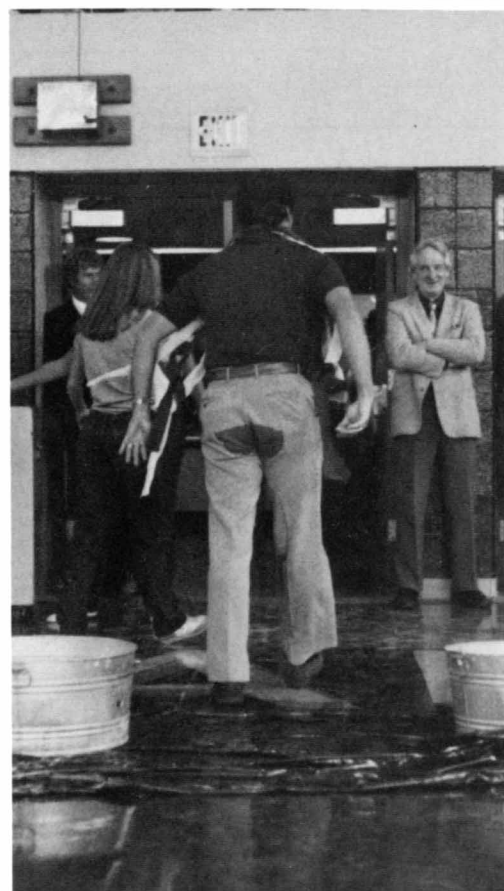

OOPS!

Caught in the Act!

Everyone has an embarrassing moment.

Above, Dave, it's not polite to point. Above right, Brock Jones learns that Steve Cox doesn't get mad, he gets even. Right: Mr. Contini, couldn't you wait? Top right: Go for it Jim, see ya 10th period!

Left, It must have been Bryan's lucky day! Above, Wake up, Chris! This is your stop! Above right, What are you two looking at? Above center, Tweeter gets a real eye opening experience.

What's your favorite excuse when you're caught?

Cort Miller — Well Mom, it was the heat of the moment.

Sid Beitzel — It was Brad's fault.

Polly Armstrong — The Pizza Hut was really crowded, Mom.

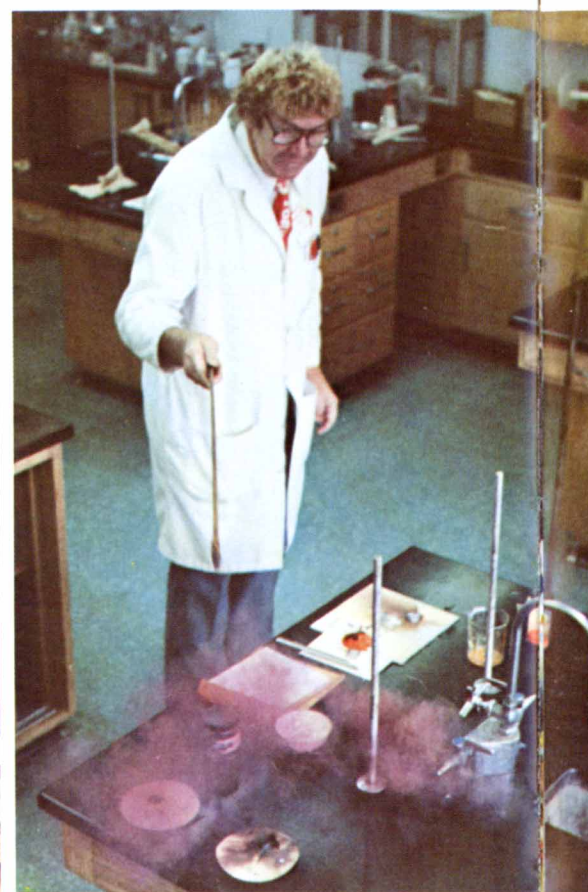

Steve Johnson — It was Sid's idea.

The most embarrassing thing is getting caught . . . Mary Beth Fondriest — in gym class with funky looking underwear on.

Kathy Seni — kissing a Tornado a little longer than you're supposed to.

Brock Jones — by HER father

Getting Down To Work
